

MPG INSTRUCTOR HELMET

MPG INSTRUCTOR HELMET

The MPG Instructor Helmet allows for the reality-based training instructors to stay comfortable, protected and easily identifiable.

Coupled with integral anti-fog goggles, the helmet meets ASTM F1776 standard to provide complete face protection, while the contrasting blue instructor markings keep the trainer clearly recognizable.

FEATURES

- Complete face protection that meets/exceeds ASTM F1776 standards.
- Provides visual identification of instructor.
- Integral anti-fog goggles.
- Blue color with instructor markings.

Part Number - #FFIHD1 – MPG Instructor Helmet
